PROFESSIONAL SUMMARY

Emerging people and organizational strategy professional with 5+ years of experience in leadership, cross-functional collaboration, and community impact. Proven ability to drive organizational change, build inclusive programs, and translate complex challenges into actionable solutions across diverse environments with a people-centered approach.

EDUCATION

Bachelor of Science in Psychology – Behavioral & Cognitive Neuroscience, Minor: Linguistics April 2028
University of Florida | Gainesville, FL

Associate of Arts in Psychology April 2025
Miami Dade Honors College | Miami, FL

Global Leadership and International Programs: Austria, Japan, Jordan, USA (UNICEF Advocacy Training)

WORK EXPERIENCE

Brain, Language, and Bilingualism Lab Research Assistant August 2026 – Present
University of Florida | Gainesville, FL

- Applied analytical thinking using Praat and ELAN to annotate datasets from audio recordings for linguistic analysis and Spanish-language speech, maintaining consistency and confidentiality across complex linguistic information.
- Investigated complex patterns in Spanish-English speech and code-switching as a native bilingual speaker, with conversational French proficiency, applying curiosity and attention to detail to research questions about language use.

Student Government President March 2024 – June 2025
Miami Dade College | Miami, FL

- Influenced institutional and public-sector stakeholders by collaborating with Government Affairs and BeMDC to produce videos and represent Wolfson Campus students to tens of government officials and the Mayor of Miami.
- Strengthened organizational operations by standardizing recruitment and interviews for 10+ student leadership roles and overseeing 44 clubs and organizations, advancing leadership development, compliance, and program execution.
- Drove institutional change by pioneering Accessibility and Health & Wellness Committees, expanding student advocacy and advancing campus-wide inclusion and well-being initiatives.

Aspen Young Leaders Fellow September 2024 – Present
Aspen Institute | Miami, FL

- Collaborated in a 20-person cohort, subdivided into 5 task forces, to advance a shared social-impact goal, connecting the South Florida community to accessible language resources, local nonprofits, and local disability rights advocates.
- Designed and spearheaded a civic service project bridging Deaf and hearing communities through American Sign Language education, addressing accessibility barriers through inclusive, people-centered programming.

SKILLS

LinkedIn Learning Certifications: HR Foundations: Core Human Resources, Recruiting Foundations, Skills-First Talent Acquisition, Interviewing Techniques for Hiring Managers, Coaching and Developing Employees

Technology: Microsoft Office, Google Workspace, Cisco Webex, Canva, Asana, Slack, Qualtrics

LEADERSHIP AND INVOLVEMENT

GE Aerospace - Explore Human Resources Job Simulation on Forage October 2026

- Analyzed employee compa-ratios for equitable pay recommendations, applied Lean methodology to map process improvements, and delivered constructive feedback to strengthen employee performance.

Intramural Sports Club Founder, President, and Soccer Team Captain October 2023 – March 2024

- Founded and scaled a 200+ member student organization, leading recruitment, events, and budget management.
- Established partnerships with Miami Marlins and Miami Heat to connect campus programming with greater Miami.
